

PROJECT SUMMARY

Dear Friends & Residents of
Clearwater County,

A year-round, indoor swimming pool has been a dream in Orofino for over 15 years. With some help from you, ground breaking on the 16,000 square foot Clearwater Community Aquatic and Health Center will occur during the fall of 2005/2006. This not-for-profit community venue will be much more than a 25-yard, 8-lane competition swimming pool. It will also have:

- * Water slide
- * Hot Tub
- * Physical Therapy Facility
- * Meeting Area
- * Fitness Area
- * Aerobics Room
- * Child day care
- * Conference Room
- * Snack bar & more

The Complex Center will be professionally managed and affordable to all. Scholarships will be available to those who need financial assistance. It will serve the entire region 7 days a week from 6am to 11pm.

Commitments have already been made by private donors. Your donation, whether \$5 or \$500,000, is very much needed.

All of us on the volunteer fundraising committee wish to thank you for your tax deductible gift or pledge. Your help is greatly appreciated.

Property donations of over \$250,000 & volunteer labor of over \$200,000 have already been received or offered. In the next stage we will do the engineering that allows us to utilize the above donated items and more. Many large matching grants have been, and are being, applied for. The money you donate now can be applied to the upcoming stages. This allows the donations to be used for grant matching which gives a much greater value.
